

Standfast Packaging is looking for Veterans in the Chicago Area. Located in Addison, IL, Standfast is looking to re-energize its workforce by hiring the best our nation has to offer.

Standfast Packaging is a Chicago Area based company whose area of expertise is in the converting, printing, assembling and delivering of corrugated packaging.

Standfast Packaging is an equal opportunity employer looking for hardworking, reliable and engaged people that want to grow as much as Standfast itself does. We are currently looking for entry-level positions working on the plant floor.

We have developed a Realistic Job Preview to provide prospective employees with a detailed look at what to expect from a career at Standfast Packaging and what is expected from you. This is the first step in the application process, so please visit the link below to begin the Realistic Job Preview and decide for yourself if you think you have a future at Standfast.
